FINAL WORLD CUP
& WORLD CHAMPIONSHIP
ACROBATIC ROCK'N'ROLL
KRAKOW, 6-7.12. 2025

Invitation: Visit the Clean Sport Education Booth at the Final World Cup Rock'n'Roll!

Dear Athletes,

We are pleased to invite you and your team to an engaging clean sport educational activity hosted by the International Testing Agency (ITA) at the Final World Cup Rock'n'Roll.

As part of our joint commitment to promoting fair play and integrity in DanceSport, the ITA will host a clean sport education booth to support athletes and Athlete Support Personnel (ASP) in understanding their clean sport responsibilities.

The booth will be hosted by **Susan Egoávil, elite athlete and ITA Education Ambassador**, who will be available throughout the day to answer your questions about rights and responsibilities, engage in meaningful discussions, and provide guidance on clean sport principles, medications, supplements, the doping control process and best practices. You can also **play games and win prizes!**

Clean Sport Booth Details:
- **Date:** 6 December
- **Location:** Main lobby of the competition hall

We strongly encourage you to take advantage of this valuable learning opportunity. Your support in spreading the word and motivating participation is essential to our shared effort to uphold the integrity and values of our sport.

Best regards,
Alojzy Nowak
